RC6D35

The RC6D is a 6-inch (15.2cm) capacity, disc-style wood chipper suitable for professional tree and landscape contractors, rental companies, and property managers. Available with a 25 hp Kohler or 35 hp Vanguard petrol engine, this compact wood chipper is designed to be easy to use and easy to maintain, offering years of dependable service. Its powerful feed system pulls in brush and limbs while the Versafeed system regulates feed rate to maximise performance. The right angle disc design minimises dead space behind the feel wheel, allowing the RC6D to process a wide range of materials. Its compact size tows well behind compact trucks and SUV's and the large wheels and tyres are suitable for highway use. Torflex suspension axle provides a smooth ride and reduces towing fatigue.

Specifications RC6D

Weight - RC6D25	780.2kg
Weight - RC6D35	789.3kg
Length	262.9cm (Feed Table Up)
Height	236.2cm
Width	160cm
Engine - RC6D25	25hp 18.6 kW Kohler
Engine - RC6D35	35hp 26kW Vanguard
Fuel Tank	24.6L
Chipping Capacity	15cm
In-feed opening	15cm x 15cm
