A handlebar stump cutter built to professional standards, to provide years of dependable service. The heavy-duty frame is fully powder coated to ensure the highest finish quality and comes with a 2 year warranty. All the Mini Work-Force stump cutters have a proven, 20+ year track record in the rental industry and are also popular with tree and landscape professionals for jobs with limited access to stumps. Quality components throughout, with a petrol engine by Honda, and top-of-the-line air filtration systems. Designed to provide a rugged, compact solution for stump removal in tight spaces.
