Capacity	3 inches
Blades	2 rotary blades, 1 stationary blade
Chipping Type	Rotor
Start Type	Electric Start
Rotor Diametre	235mm

▶ Power

Powered by a 15HP Petrol engine, the Angry Ant chipper will easily handle brushy material, wood off-cuts and other vegetation material up to (3 inches).

▶ Operation

The Angry Ant 3" is a disc-type chipper that gets the job done.

▶ Versatility

Due to its compact design, weighing in at 200 kg the Angry Ant 3 inch is light and easy to move around. It will enter confined spaces without difficulty.

Easy Maintenance

As productivity was a major factor with the designers, the machine has been manufactured with easy access to the knives for quick servicing and less down time.

Exceptional Value

Very competitively priced, this chipper could be yours at only \$2,145 incl GST. All spare parts are stocked at Global Machinery Sales, and the chipper comes with a massive 2 year warranty. Call us now on 1300 072 926 to get yours.
