RG13

These rugged machines provide a commercial-grade solution for your stump cutting needs when compact size and affordability are at the top of your priority list. Heavy-duty frame with a 2 year warranty, adjustable handlebars, powder coat paint finish and equipped with Rayco SuperTeeth. Quality components throughout, with a petrol engine by Honda, and top-of-the-line air filtration systems. All operator controls are located behind the operator station for safe and easy operation. The RG13 is designed to provide a rugged, compact solution for stump removal in tight spaces.
