RG35 PETROL

With petrol engine power of 35hp this self-propelled stump cutter is what professionals have relied on for years. The drivetrain is located on the far side of the cutter wheel to maximise visibility while cutting. Rayco's exclusive, swing-out control station gives operators the best view while cutting and swings in-line with the machine for travel through gates. Wide, floatation tyres give a firm grip on the terrain and dual wheels can be added for extra stability. Rayco's exclusive slewing ring pivot design lowers the centre of gravity and lets the RG35 cut at maximum depth across the whole swing path. For more information or to speak with one of our friendly salesguys, feel free to contact us via phone or email.

Specifications RG35 Petrol

Weight	831kg
Length	290 cm
Hood Height	94 cm
Maximum Height	132 cm
Width	89 cm
Width W/ Dual Wheels	133 cm
Engine	35 hp Vanguard
Fuel Type	Petrol
Ground Drive	2-Speed Hydraulic
Fuel Tank	24.6 L
Super Tooth®	18 total
Clutch	Electromagnetic w. wheel brakes
Cutter Wheel	43.82 cm x 3 cm
Cutting Depth	30 cm
Cutting Height	62.2 cm
Cutting Width	130 cm

Features

- Slewing ring pivot design increases cutting width
- Full cutting depth across entire width of cut
- Lower centre of gravity
- Wide tyres for enhanced traction and floatation
- Swing-out operator station for better visibility
- Controls swing in-line for travel through gates
- Petrol engine with heavy duty air filter
- 35 hp Vanguard
- Centrifugal precleaner
- Hydraulic backfill blade
- Two speed ground travel
- Optional dual rear wheels & Command Cut
- 4-Wheel drive (optional)
