RG74 DXH

Rayco's tow behind stump cutter line has a heritage that stretches over 35 years. The RG74DXH represents the evolution of that heritage. With its 74hp Cummins Diesel engine, large cutting dimensions, and plenty of chip capacity, mean it's equipped to tackle jobs of any size. The reliable hydrostatic cutter wheel drive allows operators to vary cutter wheel RPM independent of engine speed for optimum performance. Like our other hydrostatic stump cutters, it features Rayco's Quick-Stop cutter wheel.

Specifications RG74 DXH

Weight	2,685 kg
Length	508 cm
Height	229 cm
Width	218 cm
Engine	74hp Cummins
Fuel Tank	91L
Super Tooth®	40 total
Cutter Wheel	63.5cm x 2.5cm
Cutting Depth	66cm
Cutting Height	78.7cm
Cutting Width	253cm
Tongue Extension	152.4cm

Features

- Powerful 74hp Cummins Diesel Engine
- Hydrostatic Cutter Wheel Drive with Quick Stop
- Swing-Out Operator Station
- Heavy-Duty Construction
- Large Cutting Dimensions
- Engine Mounted Level With Frame
- Constant Cutting Depth Across Full Width of Cut
- Rayco Super Tooth Cutter Tools
- Torflex Suspension Axle
- Electric Brakes
- LED Trailer Lighting
